3. Customer should not allow to buy more than available units

- a. Customer can buy more than available units for Energy Type = Gas, Electricity and Oil
 - i. Ex. If customer buys 3001 units of Gas then -1 value is displayed on Available Quantity column. However there is no Buy button visible to buy more units

4. Sell energy page – No functionalities available to test

a. Maintenance image is displayed

Here to sell some energy?

[For Candidate Testing Purposes Only]

5. Contact page – No functionalities available to test

a. Error image is displayed

An illustration on a teal background. A hand with a light skin tone, wearing a light blue sleeve, holds a brown stick. At the end of the stick is a red octagonal stop sign with a white border. The word 'ERRR' is written in white capital letters on the sign. To the left of the hand is a black laptop, open, with its screen tilted back.

6. Customer unable to register an account – Internal Server Error 500

Given customer unable to register, login functionality cannot be tested.
